Experience

9.2004 – Present

St. Luke's Hospital

Chesterfield, Missouri

Graphic Design Lead

Supervise a team of graphic designers, assigning projects, monitoring workload, and providing creative direction for over 600 projects annually. Conceptualize and implement award winning visual solutions for print pieces and websites (MAHPRM Show Me Excellence award for Annual Report), and event spaces and floats (1st Place Kirkwood Greentree Parade). Develop and maintain relationships with vendors and internal clients across 2 hospitals, 8 urgent care centers, and 25+ other locations. Serve on multiple committees focusing on design and technology for department and hospital-wide implementation. Research and implement process improvement solutions resulting in increased productivity and communication.

1.2003 – Present

Saint Cletus Church

Saint Charles, Missouri

Core Team Member/Special Projects

Organize and administrate semi-annual youth retreats with upwards of 80 teenage retreatants. Participate in various youth activities as a mentor. Design pamphlets, calendars, t-shirts, website, and environment for programs and events.
